Triple Sealed Protection

BPA Free

Puncture Resistant

Reusable Canteen

Certified Bacteria Free

1 Liter Bottle Size

#### BEST VALUE

Safe to drink for decades! No more time-consuming and costly water rotations or fighting inflation. Puravai pays for itself within a few short years!

#### PURE, SAFE WATER

You can rest assured your water stays pure, safe, and tamper proof with our triple-sealed protection. Water can't get out and bacteria can't get in!

#### EXTREMELY TOUGH

Our super thick bottles can withstand the unpredictable dropping and bumping of emergency situations. Your water stays protected!

#### FLOOD/HUMIDITY PROOF

Puravai floats in any water and stays safe against floods, mildew, mold, rust, broken pipes, humidity, and capsized emergency rafts or boats.

#### CLEAN, AMAZING TASTE

Our 100% Recyclable, BPA-free HDPE bottles ensure there are no plastic, aluminum, metal, or chemical tastes - just really good, pure tasting water!

#### REUSABLE CANTEEN

Using the same materials the U.S. Military uses for their canteens, you can open and close the bottle or even refill it again and again in an emergency.
